Contents

1. Education

November 2018 - August 2022	**PhD**, Heinrich Heine University Düsseldorf English Linguistics, grade: summa cum laude Dissertation: Production, perception, and comprehension of subphonemic detail: Word-final /s/ in English
October 2015 - October 2018	**Master of Arts**, University of Cologne Linguistics Thesis: Tonal Alignment and Segmental Composition in German
October 2011 - September 2015	**Bachelor of Arts**, University of Cologne Linguistics & Phonetics and Japanese Studies Thesis: Tonal Alignment in German – Stability and Variability

2. Academic Appointments

October 2023 -	**Postdoctoral Research Assistant**, Heinrich Heine University Düsseldorf, English Language and Linguistics DFG Project "Form and meaning in English compounds: the role of prosody" Supervision: Ingo Plag
November 2022 - September 2023	**Postdoctoral Research Assistant**, Heinrich Heine University Düsseldorf, English Language and Linguistics DFG Project "The semantics of derivational morphology" Supervision: Ingo Plag
November 2018 - October 2022	**Doctoral Research Assistant**, Heinrich Heine University Düsseldorf, English Language and Linguistics DFG Research Group FOR 2373 "Spoken Morphology" Supervision: Ingo Plag
August 2015 - March 2019	**Student Assistant**, Deutscher Bundesverband für Logopädie e.V.
April 2017 - September 2017	**Research Assistant**, English Linguistics, Christiane M. Bongartz, CRC 1252, University of Cologne

3. Publications

Monographs

Schmitz, Dominic. 2022. *Production, perception, and comprehension of subphonemic detail: Word-final /s/ in English* (Studies in Laboratory Phonology 11). Berlin: Language Science Press. doi: 10.5281/zenodo.7267830.
